Little Sharks News July 2008

There's still some money left to spend...

Our subscription to the Pre-school alliance and Insurance premium for 2008-09 has been paid, we're up-to-date on our hall hire fees and there's £170 left in the bank. There is no need to keep this money in the bank as contingency so if there's anything you think we should buy, please say something. We don't have to spend this money and we could choose to save it up for something big.

Cardboard Playhouses

If you enjoyed painting the cardboard playhouse (don't worry if you missed it first time around, we haven't finished painting it yet) and would like one of your own you can buy them off Howie for £15 or direct from the manufacturer for £18.11. If you would like to place an order direct, please use the link below and local charity Orinoco will get a commission.

Summer Holidays

Don't forget, Little Sharks meet up come rain, shine or holidays. We look forward to seeing you all throughout July and August (no meeting on the Bank Holiday Monday 25/08/08).

Little Sharks Committee

The Little Sharks Committee is an informal affair. We meet occasionally and it's more of a social event to be honest but it does provide an opportunity to plan events and make decisions about money etc. Also, for legal reasons we need to have at least two and ideally three named officers: Chairperson, Secretary & Treasurer. At the moment the Chairperson is Howie and the Secretary is Claudia. If you would be willing to be a named committee member please let us know.

Howie will be leaving little Sharks at the end of August and although he is happy to continue acting as Treasurer for the current financial year(or until replaced) it makes better sense in the long term for the committee to be made up entirely of active members.
